Class–II	Section- α,β,γ,δ,Ɛ&Ω	Subject–Computer

Manners in the computer room

These are some computer rules you should follow during computer Classes with your personal computer and in computer labs.

Now lets check your understanding

Tick the picture that you think is the correct manners to follow in the computer lab and cross which you think are not a good manner.

Note:- Complete the given assignment and send the picture of it through MS Teams class notebook.
